PREFACE

I would like to say thank to Allah SWT who always blesses and guides me so that I can finish this final project report. I also thanks to all the people, especially to my parent and to Dra. Diah Kristina, M. A., Ph. D as my supervisor giving me support, guidance and motivation in conducting this report.

This final project report was written to fulfill the partial requirement in obtaining degree in English Diploma Program, Faculty of Cultural Sciences, Sebelas Maret University. This report entitled “THE CHALLENGES ON THE EXPORTING ACTIVITIES OF PT. BATIK DANAR HADI” discuses the problems faced by PT. Batik Danar Hadi in its exporting activities as well as their given solutions.

Finally, I completely realized that this final project report is far from being perfect and it still has some drawbacks. Accordingly, I hope that there will be many suggestions given by the readers to improve the quality of this report. I also hope that this final project will be beneficial for the readers.
