

PREFACE

I would like to say thank to Allah SWT, who always blesses and guides me. I also thanks to all people who given support, guidance, and motivation to me in doing this final project. The final project was written to fulfill the requirement in obtaining the English Diploma Program at the Faculty of Cultural Sciences, SebelasMaret University.

This report entitled “The Roles of Tourist Information Center (TIC) In Handling Public Relations Affairs In DISBUDPAR Surakarta”discussesabout the roles and problem faced by Tourist Information Center in handling Public Relations affairs at *DISBUDPAR* Surakarta with propose solutions to the problems.

Finally, I realize that this final project report still have some drawbacks. Therefore, I hope that there are many suggestions from the readers to improve the report. I also hope that the final project report will be beneficial for the readers.

Surakarta, November 2015
