ABSTRACT

Nur Iffah Ayu L, 2016, **Promoting Tourism Objects in Pacitan Through Leaflet and Online Articles**, English Diploma Program, Faculty of Cultural Sciences, Sebelas Maret University

The objective of this report is to explain the job training activities conducted by the writer. This report was written based on the internship conducted in the Department of Tourism, Culture, Youth and Sports of Pacitan Regency from January 11th until February 9th 2016.

There were two main activities conducted by the writer. They are making short descriptions about tourism objects in Pacitan for the leaflet and writing articles about tourism objects in Pacitan. The writer was assisted by one of the staffs in conducting the duties such as the steps to write articles and upload them on the official web of the Department of Tourism, Culture, Youth and Sports of Pacitan Regency namely “pacitantourism.net”. The problems faced during the internship were translating unfamiliar words, arranging the short descriptions on the leaflet design and looking for acceptable words. There were some things done to solve the problems such as asking someone who is an English native speaker, searching for some parallel texts on the internet and looking up difficult words in dictionaries. Besides, there was another activity conducted by the writer such as writing down the lyrics of Pacitan Hymn in a recorded song.
